MARCH 30, 2010

7:00 PM @ ROOSEVELT MIDDLE SCHOOL

Rachel's Challenge exists to inspire, equip and empower every person to create a permanent positive culture change in their school, business and community by starting a chain reaction of kindness and compassion.

Rachel Scott was the first person killed at Columbine High School on April 20, 1999. Her acts of kindness and compassion coupled with the contents of her six diaries have become the foundation for one of the most life-changing school programs in America.

Powerful video/audio footage of Rachel's life and the Columbine tragedy holds students spell-bound during a one hour school presentation that motivates them to positive change in the way they treat others.
